

# Logging In.

The Padlet login screen features a yellow circular icon with a fingerprint symbol at the top left. Below it, the text "Log in to Padlet" is displayed, followed by a link "Don't have a Padlet account? Sign up". There are three social login options: "Log in with Google", "Log in with Microsoft", and "Log in with Apple", each with a corresponding icon and a right-pointing arrow. Below these are input fields for "Email or username" and "Password". A "FORGOT PASSWORD?" link is located below the password field. A pink "LOG IN" button is at the bottom right. At the very bottom, a red rectangular box highlights the text "Backpack/Briefcase user? Login here".

The domain entry screen has a yellow circular icon with a building symbol at the top left. Below it, the text "Enter your Padlet Backpack/Briefcase domain" is displayed. A text input field contains the text "s-j-b". A pink "CONTINUE" button is at the bottom right. A blue arrow points from the "Login here" link in the previous screen to this screen, and another blue arrow points from this screen towards the explanatory text.

# Creating Folders

Hi, Science  
Remember to eat your veggies!

[+ MAKE A PADLET](#) [JOIN A PADLET](#) [GALLERY](#) [MANAGE PEOPLE](#)

The screenshot shows the Padlet interface with a sidebar on the left containing the following options: Recents, Made, Shared, Liked, Archived, and NEW FOLDER. The main area displays a grid of padlets under the 'Made' filter. The padlets are:

- 9 Sénégal Fr - Qu'est-ce qu'il y a dans ta ville? (Mrs Earl, 12 days ago)
- 10A2 Sp - Imperfect Tense Sentences (Mrs Earl, 12 days ago)
- 9 Sénégal Fr - What is conjugation? (Mrs Earl, 12 days ago)
- Colonialism key terms (Geography Department, 12 days ago)
- Biology (Science Department, about a month ago)
- A level Biology - Miss Atherton (Science Department, about a month ago)
- IT Test (IT Team, about a month ago)
- (Empty space)

At the bottom, there is a greeting: "Hi, Science Remember to eat your veggies!" and navigation buttons: [+ MAKE A PADLET](#), [JOIN A PADLET](#), [GALLERY](#), and [MANAGE PEOPLE](#).

- You might see this when you first login (all the padlets created in sjb)...Once you click 'made' it will show only your department ones
- It is worth creating folders (by key stage or teacher) to stay organised

This screenshot shows the same Padlet interface, but the 'NEW FOLDER' option in the sidebar is highlighted with a blue arrow pointing to it. The main area still shows the grid of padlets under the 'Made' filter.
